CAREER OBJECTIVE

A highly motivated individual looking for internship opportunities to fully utilize my training and skills in a practical setting, while making a significant contribution to the growth of the organization.

POSITION OF RESPONSIBILITY

Coding Blocks — Campus Ambassador

DECEMBER 2019 - PRESENT

I am the representative of Coding Blocks in my college. My activities involve connecting with students, resolving doubts of students regarding coding blocks, and organizing workshops.

EDUCATION

ABES Engineering College, Ghaziabad — Bachelor of Technology

July 2018 - June 2022(expected)

Secured 81% marks till 3rd semester with a GPA greater than 8.0

M. V. M. Public School, Aligarh — Class 12

Completed MAY 2018

Scored 90% marks in Class 12

PROJECTS

Yelpcamp — Web-Based

A full-stack app developed using HTML, CSS, Javascript, Nodejs, and MongoDB. It enables user to perform CRUD operations on the campground and add comments by logging in the system.

Discussion Forum - Web-Based

Nodejs based web app with MongoDB as a database. It is a forum where users can signup and can ask questions, give answers to others' questions, edit and delete their questions or answers.

SKILLS

C, C++, Python

HTML, CSS

Bootstrap

NodeJs

MongoDB

Numpy, Pandas, OpenCV
